Paul Lux, Okaloosa County Supervisor of Elections

Dear Candidate:

Congratulations on entering the political arena as a candidate. Public service is often not given the value it really deserves, yet it is the lifeblood of our representative government. You are to be commended for wanting to serve.

Our office is here to provide you with all the information, paperwork, and technical assistance that you may need, however, we cannot get involved in campaign management and the political side of campaigns.

Electronic filing of campaign reports is now required. We provide free computer access and training, and we believe you will find electronic filing much to your advantage, as the program actually prevents many common errors. Again, we will provide as much technical assistance as needed.

Best wishes for a successful campaign!

Sincerely,

A handwritten signature in blue ink, appearing to read "Paul Lux".

Instructions for Completing Form 1

Primary Sources of Income

[112.3145(3)(b)1, F.S]

This section is intended to require the disclosure of your principal sources of income during the disclosure period. You do not have to disclose any public salary or public position(s). The income of your spouse need not be disclosed; however, if there is joint income to you and your spouse from property you own jointly (such

as interest or dividends from a bank account or stocks), you should disclose the source of that income if it exceeded the threshold.

Please list in this part of the form the name, address, and principal business activity of each source of your income which exceeded \$2,500 of gross income received by you in your own name or by any other person for your use or benefit.

"Gross income" means the same as it does for income tax purposes, even if the income is not actually taxable, such as interest on tax-free bonds. Examples include: compensation for services, income from business, gains from property dealings, interest, rents, dividends, pensions, IRA distributions, social security, distributive share of partnership gross income, and alimony if considered gross income under federal law, but not child support.

If disclosure of a primary source of income will place you in violation of confidentiality or privilege pursuant to law or rules governing attorneys, you may write "Legal Client" in each of the disclosure fields without providing any further information.

Examples:

- If you were employed by a company that manufactures computers and received more than \$2,500, list the name of the company, its address, and its principal business activity (computer manufacturing).
- If you were a partner in a law firm and your distributive share of partnership gross income exceeded \$2,500, list the name of the firm, its address, and its principal business activity (practice of law).
- If you were the sole proprietor of a retail gift business and your gross income from the business exceeded \$2,500, list the name of the business, its address, and its principal business activity (retail gift sales).
- If you received income from investments in stocks and bonds, list each individual company from which you derived more than \$2,500. Do not aggregate all of your investment income.
- If more than \$2,500 of your gross income was gain from the sale of property (not just the selling price), list as a source of income the purchaser's name, address and principal business activity. If the purchaser's identity is unknown, such as where securities listed on an exchange are sold through a brokerage firm, the source of income should be listed as "sale of (name of company) stock," for example.
- If more than \$2,500 of your gross income was in the form of interest from one particular financial institution (aggregating interest from all CD's, accounts,

etc., at that institution), list the name of the institution, its address, and its principal business activity.

Secondary Sources of Income

[Required by s. 112.3145(3)(b)2, F.S.]

This part is intended to require the disclosure of major customers, clients, and other sources of income to businesses in which you own an interest. It is not for reporting income from second jobs. That kind of income should be reported in "Primary Sources of Income," if it meets the reporting threshold. You will not have anything to report unless, during the disclosure period:

1. You owned (either directly or indirectly in the form of an equitable or beneficial interest) more than 5% of the total assets or capital stock of a business entity (a corporation, partnership, LLC, limited partnership, proprietorship, joint venture, trust, firm, etc., doing business in Florida); **and,**
2. You received more than \$5,000 of your gross income during the disclosure period from that business entity.

If your interests and gross income exceeded these thresholds, then for that business entity you must list every source of income to the business entity which exceeded 10% of the business entity's gross income (computed on the basis of the business entity's most recently completed fiscal year), the source's address, and the source's principal business activity.

If disclosure of a secondary source of income will place you in violation of confidentiality or privilege pursuant to law or rules governing attorneys, you should disclose the name of the business entity for which your ownership and gross income exceeded the two thresholds above, and then write "Legal Client" in the remaining disclosure fields without providing any further information.

Examples:

- You are the sole proprietor of a dry cleaning business, from which you received more than \$5,000. If only one customer, a uniform rental company, provided more than 10% of your dry cleaning business, you must list the name

of the uniform rental company, its address, and its principal business activity (uniform rentals).

- You are a 20% partner in a partnership that owns a shopping mall and your partnership income exceeded the above thresholds. List each tenant of the mall that provided more than 10% of the partnership's gross income and the tenant's address and principal business activity.

Real Property

[Required by s. 112.3145(3)(b)3, F.S.]

In this part, list the location or description of all real property in Florida in which you owned directly or indirectly at any time during the disclosure period in excess of 5% of the property's value. You are not required to list your residences. You should list any vacation homes if you derive income from them.

Indirect ownership includes situations where you are a beneficiary of a trust that owns the property, as well as situations where you own more than 5% of a partnership or corporation that owns the property. The value of the property may be determined by its market value for ad valorem tax purposes, in the absence of a more accurate fair market value.

The location or description of the property should be sufficient to enable anyone who looks at the form to identify the property. A street address should be used, if one exists.

Intangible Personal Property

[Required by s. 112.3145(3)(b)3, F.S.]

Describe any intangible personal property that, at any time during the disclosure period, was worth more than \$10,000 and state the business entity to which the property related. Intangible personal property includes things such as cash on hand, stocks, bonds, certificates of deposit, vehicle leases, interests in businesses, beneficial interests in trusts, money owed you (including, but not limited to, loans made as a candidate to your own campaign), Deferred Retirement Option Program (DROP) accounts, the Florida Prepaid College Plan, and bank accounts in which you have an ownership interest. Intangible personal property also includes

investment products held in IRAs, brokerage accounts, and the Florida College Investment Plan. Note that the product contained in a brokerage account, IRA, or the Florida College Investment Plan is your asset—not the account or plan itself. Things like automobiles and houses you own, jewelry, and paintings are not intangible property. Intangibles relating to the same business entity may be aggregated; for example, CDs and savings accounts with the same bank. Property owned as tenants by the entirety or as joint tenants with right of survivorship, including bank accounts owned in such a manner, should be valued at 100%. The value of a leased vehicle is the vehicle's present value minus the lease residual (a number found on the lease document).

Liabilities

[Required by s. 112.3145(3)(b)4, F.S.]

List the name and address of each creditor to whom you owed more than \$10,000 at any time during the disclosure period. The amount of the liability of a vehicle lease is the sum of any past-due payments and all unpaid prospective lease payments. You are not required to list the amount of any debt. You do not have to disclose credit card and retail installment accounts, taxes owed (unless reduced to a judgment), indebtedness on a life insurance policy owed to the company of issuance, or contingent liabilities. A "contingent liability" is one that will become an actual liability only when one or more future events occur or fail to occur, such as where you are liable only as a guarantor, surety, or endorser on a promissory note. If you are a "co-maker" and are jointly liable or jointly and severally liable, then it is not a contingent liability.

Interests in Specified Businesses

[Required by s. 112.3145(7), F.S.]

The types of businesses covered in this disclosure include: state and federally chartered banks; state and federal savings and loan associations; cemetery companies; insurance companies; mortgage companies; credit unions; small loan companies; alcoholic beverage licensees; pari-mutuel wagering companies, utility companies, entities controlled by the Public Service Commission; and entities granted a franchise to operate by either a city or a county government.

Disclose in this part the fact that you owned during the disclosure period an interest in, or held any of certain positions with the types of businesses listed above. You must make this disclosure if you own or owned (either directly or indirectly in the form of an equitable or beneficial interest) at any time during the disclosure period more than 5% of the total assets or capital stock of one of the types of business entities listed above. You also must complete this part of the form for each of these types of businesses for which you are, or were at any time during the disclosure period, an officer, director, partner, proprietor, or agent (other than a resident agent solely for service of process).

RULES AND REGULATIONS FOR CHECKING RECORDS

Because space is limited in our office for candidates desiring to check the voting records, you are requested to abide by the following rules in the interest of fairness to all:

1. Records may only be checked under the supervision of a staff member. For this reason, we ask that you make an appointment in advance or be kind enough to wait until personnel/space become available.
2. The area available for checking records will be on a first-come, first-served basis for walk-ins. Candidates themselves will be given first priority and volunteers second. For example, if a candidate is using all the spaces available with volunteers, and another candidate needs space to work, one of the volunteers will have to relinquish his space. Should a person using a space leave, he loses his space if others are waiting.
3. Because of the real possibility of records being misfiled, misplaced, or misalphabetized, we ask that you do not remove records from the trays or folders.
4. When two or more volunteers/candidates are working together, calling names out loud or other talking may interfere with the office work and employees' concentration.
5. All candidates/volunteers must follow the office rules concerning appropriate dress, no smoking or eating, etc. Other walk-in customers are not aware as to who are workers and who are guests.

We are here to serve you to the utmost of our ability and will do our best to be cooperative and helpful as possible. Please do not hesitate to ask any questions concerning these procedures or seek additional assistance.

Notice to candidates for election to offices in the State of Florida

The Department of Transportation's Office of Right of Way would like to remind you of State Law regarding political campaign signs:

- (1) Signs placed on the state rights of way — Political campaign signs may not be placed in the right of way of any state or national highway [Chapter 479.11(8), Florida Statutes]. A joint effort by the Florida Department of Transportation and the Florida Highway Patrol produced a brochure explaining that the unauthorized use of the public right of way is prohibited by Florida law. This brochure further outlines how the right of way is regulated and how to recognize the location of the right of way line. The brochure is available on our website, <http://www.fdot.gov/rightofway/>. Please feel free to print and copy the brochure for distribution. We recommend campaigns make this brochure required reading for volunteers who post candidate signage.
- (2) Signs placed on private property — Temporary political campaign signs may be placed on private property with the permission of the owner. Such signs do not require a permit under state law.

Please advise your campaign workers to ensure that signs are placed on private property. Signs placed on the state rights of way must be picked up by Department staff and placed in one of the Department's maintenance yards. We will make every effort to place a courtesy call to your campaign office advising of sign removal and the location of the maintenance yard where the signs have been stored.

If you have any questions regarding this issue, please contact the Department's Outdoor Advertising Office in Tallahassee at (850) 414-4569.

Sincerely,

A handwritten signature in blue ink, appearing to read "Scott Foltz", is written over a light blue horizontal line.
